

GeneralOption::timeout

```
graph LR; A[GeneralOption::set_timeout] --> B[GeneralOption::timeout];
```

The diagram consists of two rectangular boxes. The box on the left is shaded gray and contains the text 'GeneralOption::timeout'. The box on the right is white with a black border and contains the text 'GeneralOption::set\_timeout' on two lines. A dark blue arrow points from the right box to the left box, indicating a dependency or relationship.
